Dear Mr. Oldaker:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 23 of your report discloses a contribution(s) to a candidate(s) for the primary election; however, the funds were disbursed after the election date(s) (pertinent portion(s) attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign. Please clarify the contribution(s) and disclose any redesignations or refunds as necessary on the appropriate schedules.

-Schedule H4 discloses a disbursement(s) which is categorized as a fundraising expense(s); however, a Schedule H2 has not been filed to disclose the allocation ratio. All committees are required to allocate the direct costs of each fundraising event in which the committee collects both federal and non-federal funds. The costs are allocated according to the funds received ratio and reported on Schedule H2. 11 CFR §§106.5(f) and 106.6(d). Please file a Schedule H2 to disclose the ratio for the fundraising event(s).

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule H4 of your report to clarify the following description(s): "June 2000 Consulting",
